

Dear _____,

I hope you are doing well- enjoying a great holiday season. I had a wonderful time with family and friends in Ohio over the holiday season.

I wanted to tell you about something that some friends of mine here in my hometown, including the mayor and a couple of local businessmen, are doing on behalf of the Team Tokey Hill organization. In order to bring awareness to the things we do in the community and to help fund these activities, the programming, and facilities, they have planned a benefit. The date of the event is January 15, 2015 in a local banquet hall.

Particularly, they wanted to help fund what we do for the economically disadvantaged and at-risk youth in Chillicothe, Ross County, and surrounding areas through Team Tokey Hill programming. Our mission is to instill the character building blocks to promote positive behavioral change in our youth. Team Tokey Hill provides safe, state of the art technology with the tradition of sport and athletic development.

I thought you might want to participate somehow in this event. I would love for you to be able to come - but I also understand your busy schedule. If there is anything you could do to help bring awareness to this benefit or if you would like to make a donation to help fund the programs we are running, I would greatly appreciate it.

I believe in these programs or I wouldn't invest my time in doing them. As I evaluate my life and career, I know that I must focus my attention on the things that really matter. Besides my family and friends like you, that includes the things I can do to make a difference in the lives of kids that need our help. After all, I was not much different than many of these kids we are helping!

Team Tokey Hill has made arrangements for transportation to and from the airport and to the scheduled events, a personalized site visit of the training center, and special pricing at the local hotels for our out of town guests.

Write me back if you would like to attend the fund raising event or let me know if you would like to make a donation. I only ask because I believe we all can do something to make a difference.

Write me or give me a call and we can discuss the details. Thanks for your time!

Sincerely,

Tokey Hill
